DEALER INFORMATION

Price Data: The foregoing Suggested Retail Prices are supplied merely as trade information. Dealers are neither required nor expected to follow any or all such prices, it being expressly understood that dealers are absolutely unrestricted in such respects. All prices and specifications are subject to change without notice. Prices do not include state and local sales tax.

Design Changes: Right is reserved to make changes in design without incurring an obligation to make such changes on previously manufactured items.

Options and Accessories: Certain installed accessory items may be removed after installation to insure damage-free shipment. It is imperative that Boat Model Code be used as a prefix with each option specified. This is necessary since options with similar descriptions bear the same code number. The option, however, is specifically designed for a particular boat; for example, when ordering Cockpit Cover (967) for Buccaneer (253), please specify as follows: 253-967, Cockpit Cover.

Distribution and Handling: "Pick-Up Allowance" of 72% of D&H amount on boat and trailer models will be given for product picked up at Plano, Texas. Orders for full truckloads of boats with approval and credit clearance to ship at one time, except those non-applicable under the Volume Purchase Program, will receive a shipping discount of 18% of D&H cost. Order must utilize full capacity of truck and have a minimum value of \$8,500. A charge to partially compensate for excess shipping costs caused by multiple stops will apply—\$50.00 for shipments under \$2,000, \$37.50 for shipments \$2,000 to \$4,999, and \$25.00 for shipments \$5,000 to \$8,499. However, to increase the opportunity to qualify under the Volume Purchase Program in December, or take advantage of sales opportunities at the end of the model year, the charge is waived for shipments during the months of December and July.

NOTE: "XX" as last designation in Model Order Number denotes color choice. When ordering, replace "XX" with Color Code Number:
